Hill of Great Darkness-H. C. Beckerr 2011-06-27
 An ancient civilization lost in a one thousand year old mystery. A modern, state-of-the-art spacecraft on her first mission, tapping into a radically new power source—or is it new? Could this power source have been available all along? An event in space—actually caused by something that has been buried right underneath our feet for over a millennium—is about to unfold into mankind's greatest adventure ... so far ...

In Search of the Dark Ages-Michael Wood 2015-05-14
 This edition of Michael Wood's groundbreaking first book explores the fascinating and mysterious centuries between the Romans and the Norman Conquest of 1066. In Search of the Dark Ages vividly conjures up some of the most famous names in British history, such as Queen Boadicea, leader of a terrible war of resistance against the Romans, and King Arthur, the 'once and future king', for whose riddle Wood proposes a new and surprising solution. Here too, warts and all, are the Saxon, Viking and Norman kings who laid the political foundations of England - Offa of Mercia, Alfred the Great, Athelstan, and William the Conqueror, whose victory at Hastings in 1066 marked the end of Anglo-Saxon England. Reflecting recent historical, textual and archaeological research, this revised edition of Michael Wood's classic book overturns preconceptions of the Dark Ages as a shadowy and brutal era, showing them to be a richly exciting and formative period in the history of Britain. 'With In Search of the Dark Ages, Michael Wood wrote the book for history on TV.' The Times 'Michael Wood is the maker of some of the best TV documentaries ever made on history and archaeology.' Lady C. Investigates: The Complete Collection-Issy Brooke 2018-06-03
 FIVE full-length standalone light historical mysteries in one volume! Join Cordelia, Lady Cornbrook and her eclectic household as she fights crime, unearths secrets, and fends off the advances of unsuitable

men. These Victorian murder mysteries are set in Britain in the 1840s, and take a light, frothy look at the fun side of history. It's not quite Dickens. Maybe Dickens at a party after a few too many brandies. They are rooted in accuracy, though (there are author's notes at the back and everything, which makes it legit). In An Unmourned Man, we meet Cordelia for the first time. She's widowed, titled, entitled, and plunged into an exciting adventure which features a country doctor wearing only his shirt and breeches. There's callisthenics, a surly coachman, a cad with copious facial hair, laudanum and society balls. Riots and Revelations takes us to the grim north, which is all mills and rain and working class uprisings. There's a dashing cavalry officer and a passionate rabble-rousing Chartist, trouble at t'mill, wayward servants, night-time escapades with weaponry, and a large pig. In The House of Secrets and Lies returns Cordelia to London, and to the heart of British politics, which is actually more interesting than it sounds. Cordelia vows to stop a miscarriage of justice. But she is too rich to go into the lowest parts of Victorian London, too female to go into the clubs and coffee houses, and too scandalous to go to the parties and balls. The fourth book, Daughters of Disguise, leaves England and takes Cordelia and her household to Wales. It's a different country, with its own language, its own traditions, and its own history of justice. Cordelia has joined forces with the local constable, and together they are up against not only the murderer, but the local council ... and even the local people. And finally, in The Continental Gentleman, she confronts her past. It's not pleasant, but luckily she's armed with a short, stabby sword. It's late summer and Cordelia is rattling around her Surrey estate, annoying the servants and causing the gardeners to hide in the bushes. Her old friend - or nemesis - Hugo Hawke turns up, and he's closely followed by his own past. It's good news ... at first. These novels contain innuendo but no graphic scenes or language, and may be considered clean and suitable for all readers.

The Towers of Love-Stephen Birmingham 2016-09-06
 The Towers of Love is a suspenseful family drama set among the well-to-do schemers of a Connecticut suburb. When Hugh Carey moves home to take stock of his failing marriage, he is reunited with Edrita Everett Smith, the girl

next door who got away. But his cold, manipulative and fascinating mother Sandy has never liked Edrita, and she is not about to let Hugh out of her grasp now.

The Railway Children-E. Nesbit 2019-06-17 First published in serial form in "The London Magazine" during 1905, "The Railway Children" is a classic children's story written by Edith Nesbit and first published as a novel in 1906. After their father is imprisoned after being falsely accused of spying, the family relocate from London to Yorkshire. Once there, the children become friends with an elderly man who routinely rides the 9:15 train near their home and eventually helps prove their father's innocence, reuniting the family. "The Railway Children" has been adapted for the screen six times, including two films and four television series. Edith Nesbit (1858 - 1924) was an English poet and author. She is perhaps best remembered for her children's literature, publishing more than 60 such books under the name E. Nesbit. She was also a political activist and co-founded the Fabian Society, which had a significant influence on the Labour Party and British politics in general. Other notable works by this author include: "The Prophet's Mantle" (1885), "Something Wrong" (1886), and "The Marden Mystery" (1896). Many vintage books such as this are becoming increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with a specially-commissioned new biography of the author.

Masks of the Muse-Veronica Cummer 2009-02-01 Who is the Muse? Why do we need Her? How do

we tap into that shining current of inspiration and create something never before seen, something beautiful and terrible, fantastical and infinitely real. The Muse is as vital to our lives today as She was in ancient times. She changes as we change and Her Arts are continually in flux, Arts that we simply cannot live without...or that we wouldn't want to. Among other things, they are tools to make and re-make our world even as we work with Fate to weave the web of life and death, of creation and destruction. Through four faces, four masks of the Muse, this book explores different aspects of inspiration, creativity, and magick. Aphrodite, Cerridwen, Ariadne, and the Lady of the Lake await--each to teach us of the Arts and what we are capable of at our very best. By the poetry, prayer, invocation, and ritual contained within we can come to know the Muse and so know ourselves and the gifts we all have within us that demand recognition and expression. The path of the Muse may not always be an easy or a safe one, but anything worth having is worth paying the price for. Who is the Muse? Who are we? This book is a journey, one that we must dare to take and dare to take hold of what is revealed.. As we must return to the well of memory, the depths of the ocean, and the currents below the earth, there to claim what was ours all along.

הַיְמֵי הַיְמֵי הַיְמֵי הַיְמֵי-Haim Gouri 1996 Haim Gouri has been a major figure in Israeli literature since the War of Independence in 1948-1949. The poems collected in Words in My Lovesick Blood, in their original Hebrew and in English translation, introduce Gouri to English-speaking readers and reflect the range of Gouri's extraordinary achievement as a modernist poet from the 1940s to the 1990s. In his work, Gouri documents the spirit of the Palmah generation, the generation that effectively established the

State of Israel. His voice is not especially patriotic or heroic, but surpassingly humane, testimony to a lyrical mythic and sensual imagination, a complicated and striking Mediterranean sensibility, and a subdued awareness of the tragic facts with which the Jews and the Middle East have had to cope over a lengthy and intricate history. The Hebrew Bible and Greek mythology have a presence in his oeuvre, as does the Nazi Holocaust. Influenced by such Hebrew poets as Yonatan Ratosh, Uri Zvi Greenberg, and Natan Alterman, French symbolist poets Jules Laforgue, Paul Verlaine, and Guillaume Apollinaire, and Russian poets Akhmatova, Pasternak, and Mandelstam, Gouri also reveals his interior life in his poems—his loves, regrets, doubts, and above all the charm in the magic of his poetic vision. In *Words in My Lovesick Blood*, readers will discover an eloquent and civilized means of experiencing the innumerable vicissitudes of Israeli existence.

D. H. Lawrence: *Late Essays and Articles*—D. H. Lawrence 2004-04 In his last years D. H. Lawrence often wrote for newspapers; he needed the money, and clearly enjoyed the work. He also wrote several substantial essays during the same period. This meticulously-edited collection brings together major essays such as *Pornography and Obscenity* and Lawrence's spirited Introduction to the volume of his *Paintings*; a group of autobiographical pieces, two of which are published here for the first time; and the articles Lawrence wrote at the invitation of newspaper and magazine editors. There are thirty-nine items in total, thirty-five of them deriving from original manuscripts; all were written between 1926 and Lawrence's death in March 1930. They are ordered chronologically according to the date of composition; each is preceded by an account of the circumstances in which it came to be published. The volume is introduced by a substantial survey of Lawrence's career as a writer responding directly to public interests and concerns.

The Great Darkness—Jim Kelly 2018-02-15 'SINISTER, MYSTERIOUS AND REFRESHINGLY DIFFERENT' ANDREW TAYLOR, AUTHOR OF *THE ASHES OF LONDON* 1939, Cambridge. The opening weeks of the Second World War, and the first blackout - *The Great Darkness* - envelops the city. Detective Inspector Eden Brooke, a wounded hero of the Great War, takes his nightly dip in the cool waters of the Cam. Sirens wail and yet in this Phoney War the enemy never comes. But daylight reveals a corpse on the riverside, the body torn apart by some unspeakable force.

Brooke investigates, calling on the expertise of his fellow 'nighthawks', all condemned, like him, to a life lived away from the light. Within hours there is another victim slaughtered under cover of *The Great Darkness*. War has many casualties, but what links these crimes of the night?

The Poet in the Code Room—John Kimmey

2019-05-13 Merriam Press World War 2 Fiction.

A war and spy novel as well as a mystery, this is the story of a poet recruited in the spring of 1943 to write poetry for coding and decoding messages in the OSS. Jake Finny, a college senior in the reserves, finds himself dealing with a series of unexplained deaths in the Message Center. As he moves from Washington to Algiers to Italy, fearing for his life. He goes AWOL and seeks those committing these crimes, aided by the Italian girl his friend wanted to marry. As the pressure on him intensifies, he is haunted by the head of Counterintelligence, a famous poet whom he can't determine whether he is sympathetic to him or thinks he is implicated in these deaths. He has talked to him about the connection between poetry and counterintelligence and only later realizes to his sorrow what an important part the man has played in his life. The novel is not only about Jake and his situation but also about the workings of OSS and the conditions in Italy during the war.

 And God Blessed the Irish-Christ Driscoll 2007
 This is the dramatic and true story of a boy
 named Patrick who ws kidnapped and sold into
 slavery in Ireland. He escaped to England and
 France and many years later returned to covert
 the Irish to Christianity. It is based on St.
 Patrick's own writings, especially Convessio, and
 contrasts the legends about Patrick with the

historical reality of his life.
